Pursuing a NAPLES ZERO WASTE GOAL and PLAN

14.00 – 18.00 Naples attendees meet to fashion the outline of a Zero Waste Plan for Naples, with support of Zero Waste experts assembled for the conference. This will apply the Zero Waste Community Principles adopted on Friday to the facts and situation of Naples.

- ◆ Naples attendees provide details on what is going on; what reuse, recycling and composting services exist;

- ◆ Zero Waste experts identify options for policies, programs and facilities to meet needs.
- ◆ Moderated discussion to agree on options to be explored further and how to get that done.
- ◆ Speakers:
 - Rossano Ercolini and Enzo Favoino - Moderators
 - Alex Zanotelli - Combonian Missionary involved in Naples waste crisis;
 - Matteo Brambilla, Engineer from Chiaiano
 - Prof. Franco Ortolani, Director of Scientific Territory Planning Department;
 - Pina Elmo - activist from Giugliano groups fighting against "ecoballe";
 - Massimo Di Dato - architect and activist;
 - Massimo De Gregorio – local campaigner from Caserta
 - Raffaele Piccolo from Naples trade Unions about recycling and green jobs
 - Pasquale Lepore - Expert in Salerno "porta a porta" and best practices
 - Joan Marc Simon, GAIA, Naples as a turning point for Europe and needs to move towards Zero Waste
 - Paul Connett, Emeritus Professor of chemistry at St Lawrence University, NY, present draft paper on Zero Waste Solution for Naples

Evening: Saturday night Local Groups Meeting and Music Pizza Party
